

Schweitzer Season Parking Pass 2023/24

Welcome!

By purchasing a Schweitzer Season Parking Pass, you are among those who have access to premiere parking on our mountain. There are a limited number of Parking Passes available.

The reserved parking for the seasonal parking pass holders is located in the Lakeview parking lot next to the White Pine Lodge. Please take direction from the parking attendant. Space will be reserved for 2023/24 Season Parking Pass holders until 11:00 am. After 11:00 am there is no guarantee of availability. Please have the permit clearly visible by hanging from the rear-view mirror or on the vehicle's dash in order to access and park in the reserved parking area. Only one vehicle will be allowed to park with each pass per day. Reserved parking is available seven days a week throughout the 2023/24 winter season for Parking Pass holders. Other areas of the Lakeview Parking Lot, behind the reserved Parking Pass area, will be available for \$20.00 per day on weekends and holidays to any Schweitzer guest.

Parking Pass holder agrees and acknowledges that Schweitzer is not responsible for any damage to vehicles parked in the parking area. Schweitzer reserves the right to cancel a pass without refund due to any violation of area policy or violation of any Federal, State, or local laws while on Schweitzer property. If you have any questions or concerns, please contact Guest Services.

Enjoy the winter season!
