TOYOTA

moving forward

Drive your Toyota to Schweitzer Mountain Resort and receive a free lift ticket. Simple as that!

To receive your free ticket look for the Toyota and Schweitzer representatives stationed at the Red Barn Park & Ride lot at the bottom of the mountain, or at the on-mountain parking lots. One free lift ticket will be given for each Toyota vehicle driven to the resort. Tickets are valid for 1/27/12 ONLY.

After 1:30pm tickets can be picked up at Guest Services instead of the parking lots. You must present your vehicle registration and a valid ID to get your ticket. Registration is required to prove ownership of a Toyota.
