

Independence Racing Team

Junior Starlight Series Fact Sheet

This race series will provide a low-cost ski racing opportunity for both experienced and new racers. Additionally, it will give kids a chance to meet others with the same interests. The emphasis is on introducing the fun of ski racing to our youth.

Racers will meet at 5:30 PM on Friday, January 8th, for the first session. During this first session participants will register, receive instruction, get to practice in a race course, and take two timed NASTAR runs. Subsequent sessions are from 5:30-6:45 PM January 15, 22, and 29, all Fridays.

Each racer and coach will take two NASTAR runs on these days. Team results will be an average of each participant's best run. Racers missing a day will have their original seeding handicap included in their team's daily results, without penalty. **IT IS OK TO MISS A DAY!!** Don't miss out on the fun just because you can't make every session.

Dates	Jan 8th, 2010	Times	5:30pm-7:00pm
	Jan 15th, 2010		
	Jan 22nd, 2010
