

HEAD DEMO SKIS

MONSTER 78

Hungry all-terrain freeride ski with a good bite on the slopes and a monstrous appetite for powder.

Powder to piste ratio: 50/50.

Sidecut 124-74-110

Sizes: 177 and 183

MONSTER 88

One of our team's favorite skis when there's good pow, but not just pow. Check out the new bling tip- and tail-protectors!

Sidecut 126-88-112

Sizes: 175 and 186

SWEET ONE

An extremely light, spinable twin-tip big-mountain ski with just the right balance of smoothness and pep for women looking to challenge the steeper parts of the mountain. Comes with an edgy attitude and in new, edgy sandwich construction. Graphics inspired by Kathy Morton's artwork.

Sidecut 129-92-117

Sizes: 159 and 166

GREAT ONE

A completely new women's ski for a perfect on-slope to off-piste ratio. Inspired by the male Monster, a bit narrower than the Wild One, with sweet, integrated tip and tail protection.

Sidecut 123-77-109

Sizes: 159 and 165
