Popular Destinations & Trails

Summit A must do for locals and visitors alike - ride the Great Escape chairlift or hike the Nature Trail to enjoy one of the best views in the Pacific Northwest. Plus, enjoy lunch at Sky House providing delicious dining options and full bar.

Nature Trail One of the most rewarding hikes in the area, this strenuous trail offers incredible views around every corner. Many people choose to only hike down but you can enjoy a free lift ride down if you choose to hike up. 2.5 miles one way with a moderate/steep climb. Closed-toe shoes recommended.

Picnic Point Whether you choose to get there by hiking, biking, or a Mountain Horse Adventures ride, it's a perfect place to bring lunch and enjoy a view of Sandpoint. 3 miles round trip with a moderate climb.

Colburn Lake Nestled by steep slopes on 3 sides this small alpine lake is surrounded by huckleberry bushes and a popular half day destination. Take the Service Road to the saddle then drop down into the Outback Bowl. Please note there is no lake access from the summit. 4 miles round trip from village with a moderate climb.

Huckleberry Picking Stop by the Summer Activity Center in the Ski & Ride Center during late July and August for tips on the best places to find our favorite berry! Please note we do not allow picking tools as it's better for the huckleberry bushes.
