# Tasting Notes

## REDS

### **MALBEC Fabre Montmayou Reserva** 2018 Argentina

Deep red colour with violet tones. Very intense bouquet with red cherry fruit and spices. Complex and well balanced.

### **PRIMITIVO Felling Terra Rossa Primitivo di Manduria** 2017 Italy

The red earth which is rich in iron oxide gives this wine its classic rust red color and is one of the secrets of this Primitivo. Characteristic aromatic quality of the vine makes it a powerful and warm wine, but which also knows how to be balanced and easy to sip. Nose notes of ripe cherry, red fruit, and strawberry jam.

### **DOLCETTO d'ALBA Nada Giuseppe** 2017 Italy

Bright ruby red in color with deep purplish hues, this wine offers fresh, fruity and elegant aromas. On the palate, it is expansive and warm, opening into a multitude of flavors. A rich and concentrated wine with a dominant fruit character and a lingering finish.

### **ROTATING Colter's Creek** Lewis & Clark Valley, Idaho

## WHITES & ROSÉ

### **CHABLIS Jean-Marc Brocard** France

The Sainte Claire Chablis expresses a great deal of finesse. Made from Chardonnay grapes, this vintage expresses the singularity of our wines through its strength, precision, and freshness. On the nose, notes of lemon yellow fruits. The mouth is wrapped, balanced, and tangy.

### **TUSCANO BIANCO Rocca delle Macie** Italy

Straw-yellow color with pale green reflections. Intense aromas of white flowers with hints of flint. Fresh minerality balanced by toast and citrus notes.

### **ALBARINO Bodegas Eidosela** Spain

Clean and bright. In the mouth it is a very powerful wine, clean, silky with a very well-integrated acidity. In nose it has a high intensity, it is very fragrant, fruity and floral, fresh and subtle, reminiscent of stone fruit (peach and apricot).

### **CHARDONNAY JM Brocard - Bourgogne Blanc "Kimmeridgien"** France

A very pure palate, with delicate notes of mandarin; a fresh wine with a very beautiful mineral energy. On the nose, aromas of citrus and orange blossom.

### **ROSÉ Juliaetta Rosé Colters Creek** 2017 Lewis & Clark Valley, Idaho

Subtle hints of cotton candy greet you as you take a sip, and the unexpected but delightful flavor of anise hits your taste buds on the finish. Aromas of ripe apple, strawberry, honeydew and just-ripe peach.
