

2020/21 ATV / Off-Road Vehicle Parking Permit

ATVs, UTVs, RTVs, and other 4x4 off road recreational vehicles have become very popular at Schweitzer. As the popularity has grown, so have some problematic issues (underage drivers, illegally positioned passengers, driving & parking in unauthorized areas). For that reason, there is a paid permit system for these vehicles for the upcoming winter 2020/21 season. This is a way for us to ensure that our residents and guests read, understand, and comply with our parking policies and expectations of safe operation in our mountain environment. The rules are simple:

- All vehicles must stay on paved roads, or in our parking lots.
- The designated ATV / off-road vehicle parking areas are located in the Lakeview lot or on Village Lane.
- **The designated ATV / off-road vehicle parking areas are for vehicles 12' in length or less. Longer than 12' will need to park as an automobile.**
- Once these areas are full, you need to park with autos regardless of size
- Refrain from “creative parking;” up next to Pucci’s, anywhere in the Bus Stop area, hotel check-in lot, “authorized vehicle” areas (including behind Lakeview lodge), tops of snow banks, trailheads and paths- unless authorized by the parking staff and/or public safety.
- Obey all Idaho traffic laws. Below is a link to safety/ training information and Idaho state ATV laws: <http://parksandrecreation.idaho.gov/activities/atv-motorbike>

Failure to comply with the above and/or failure to purchase a permit may result in your vehicle being towed or the loss of ATV / off-road vehicle parking privileges on Schweitzer property. If you plan on utilizing our reserved “ATV” (off-road) vehicle parking areas, then you will be required to purchase a Schweitzer ATV parking permit **prior** to utilizing the reserved parking areas. You can purchase your permit online or in person at the Guest Services Office. The permit must be attached to the Drivers side bumper area of your vehicle.

Due to the growing interest of ATV / off-road vehicles at Schweitzer, for the 2020/21 winter season, there will be a limited number of permits available for purchase.

Thank you for your compliance with our permit system. Please don’t hesitate to contact Guest Services or the Parking Department with any questions or concerns. We look forward to seeing you up here soon!
