

## Schweitzer Season Lockers 2021/22

Welcome!

The seasonal lockers are available for use from November 13<sup>th</sup>, 2021 through April 17<sup>th</sup>, 2022.

These are for the storage of your snow equipment, and the convenience of quick access to the slopes. As the renter of a seasonal locker you assume the responsibility of providing a lock. The users of this locker also assume responsibility for any equipment stored in the locker. Temporary/ removable customizations may be made to the locker rental. Permanent fixtures, mounts, holes, etc are not permitted.

At the close of the season we ask that you **REMOVE ALL** of your equipment and your lock from the locker **No Later** than April 17, 2022 to prevent any loss of equipment.

Please be advised that Schweitzer Public Safety will be removing any and all equipment left on the premises during the off-season months. Abandoned items will be donated to local charities. Please be sure to leave the lockers in good condition.

Renter agrees and understands that Schweitzer is not responsible for lost, damaged, removed, or stolen goods. The locker room will be monitored by Schweitzer Public Safety on a best effort basis. Please keep lockers in good condition and the outside surfaces clear of posters, pictures, stickers, hooks, etc.

Schweitzer reserves the right to revoke locker privileges without refund due to damages or criminal and inappropriate behaviors. If you have any needs or concerns, please contact Guest Services.

Enjoy the winter season!
