

ATV / Off-Road Vehicle Parking Permit

Over the last few years; ATVs, UTVs, RTVs, and other 4x4 off road recreational vehicles have become very popular at Schweitzer. As the popularity has grown, so have some problematic issues (underage drivers, illegally positioned passengers, driving & parking in unauthorized areas.) For that reason, we have administered a permit system and a small parking fee for these vehicles for the upcoming winter 17/18 season. This is a way for us to ensure that our residents and guests read, understand, and comply with our parking policies and expectations of safe operation in our mountain environment. The rules are simple:

- All vehicles must stay on paved roads, or in our parking lots.
- The designated ATV / off-road vehicle parking areas (one in the Lakeview lot and one on Village Lane) are for vehicles 10' in length or less. Longer than 10' you need to park as an automobile.
- Once these areas are full, you need to park with autos regardless of size
- Refrain from “creative parking;” up next to Puccis, anywhere in the Bus Stop area, hotel check-in lot, “authorized vehicle” areas (including behind Lakeview lodge), tops of snow banks, trail heads and paths.
- Obey all Idaho traffic laws. Below is a link to safety/ training information and Idaho state ATV laws: <http://parksandrecreation.idaho.gov/activities/atv-motorbike>

Failure to comply with the above and/or failure to purchase a permit may result in your vehicle being towed or the loss of ATV / off-road vehicle parking privileges on Schweitzer property. If you plan on utilizing our reserved “ATV” (off-road) vehicle parking areas, then you will be required to purchase a Schweitzer ATV parking permit **prior** to utilizing the reserved parking areas. You can purchase your permit online or in person at the Guest Services Office. The permit must be attached to the front left bumper area of your vehicle.

Thank you for your compliance with our permit system. Please don't hesitate to contact Guest Services or the Parking Department with any questions or concerns. We look forward to seeing you up here soon!
