Hosted Snowshoe Hike Info:

All hikes leave from the Winter Activity Center in the Humbird Hotel

Three Hikes to choose from:

- 1 Hermit's Hollow Hike takes you through majestic old growth forests with great views from points along the trail.
- 2 The Summit Hike includes a chairlift ride to the summit with views of three mountain ranges and two countries. (Conditions may prevent a Summit Hike in which case a Hermit's Hollow Hike will be offered)
- 3 Moonlight Snowshoe Hike takes you on a walk through the forests with a fabulous sunset, then the moon to light your way back. At the end you can warm up at the Chimney Rock with a cup of soup and hot drink.

All ability levels welcome, but snowshoe hikes are physically demanding.

Our hikes are geared towards beginner-intermediate level hikers, and we recommend only adults and teens participate.

All hikers must wear layers, snow pants, eye protection, and supportive boots.

We recommend bringing some water and a small snack to enjoy during the hike.

Advanced sign up online via Schweitzer.com under the "PLAY" tab.
